Clubs

We had an amazing number of children out for our first week of clubs. Please ensure children are prepared for whatever the weather may throw at us, as we will try to use the outdoors whenever possible. A big thank you to the teachers for giving up their time to share their passion for sport and music. We are excited about the year ahead for our school choir and sports teams!!

Permission for Photographs and Seesaw

Thank you to all those who have completed the permission for Photographs and SeeSaw. If you haven't done so, please complete before the end of the week. Permission slips can be found in the form section of the school app.

Library Van

The school library van will be at school next Thursday (19th). It will then visit every 3 weeks (always on a Thursday). We are very fortunate to have this service at school and encourage children to take advantage of the range of books on offer. Please try to remember to return books on time. We will send home membership forms to anyone who does not already have a library card.
