Unsung Heroes at Gorran

One vital role in keeping school safe (and open) is that of a building supervisor. Our building supervisor, Mrs Connor, does an amazing job and despite all the new demands and requirements of the role, all her work is carried out with a smile. We want to say a huge thank you to her for all that she does for our school family!

Face Coverings on the Bus

It is great to see so many pupils wearing face coverings on the bus.

We strongly recommend that everyone does so.

Children could help the bus driver by having your masks on before getting on and remembering not to remove them until you are out of the bus.

Payment System – Update

Thank you for your feedback on our payment system. We are glad that it has been well received.

We have made a few small changes-

You should now receive an email receipt/confirmation for all payments.

As Milk and Break are only half termly payments, we have 'hidden' these at present to avoid confusion. They will reappear at the end of next week when the payment for November/December is due.

A message from Aghadowey BB

Aghadowey BB, Anchor Boys will be starting to meet online 'probably' by Zoom. They are intending to start on Tuesday 20th October at 6:45pm. All boys from P1 to P4 are welcome. Any potential new members are very welcome and should contact Kathleen Cunningham 07967966826 for further information.
