Our New Hedge

Thanks to Bob from 'The Tree Appeal' and the help of many green fingers, we have planted a lovely new hedge along the boundary fence at the bottom of the hill. Over 100 saplings were planted and we look forward to watching them grow.

Road Safety

The school are continuing to work with Johnny from Sustrans and this week the children will be watching an assembly on Being Bright Being Seen. Every child in school will receive their very own hi-vis vest and a reflector for their school bag. There will be a road safety poster competition with x10 frog strobe lights for the winners

School Photographs

The proofs of your lovely school photographs have been sent home today. We would encourage you to order online at www.csmoments.co.uk If this is not possible please send in the order form and cheque into school before Friday 11th December.
