## Spring Chickens

Primary 1 have had great fun learning about New Life with their four new classmates – It is so lovely to hear the questions and discussions that these “real life” learning experiences bring. Thanks to the P1 team for their hard work and ‘hatching expertise’. This has inspired Primary 7, who have now got some eggs in the incubator ready to hatch in the next few weeks. Exciting times!!

## Stay Sun Safe

It is great to see lots of sun hats and caps on in school. As the weather continues to get warmer please think about sending sun hats and sun cream in your child’s school bag.

## Thank you, Miss McNeill

Miss McNeill has been in Gorran PS since March, teaching P3,4 and 7. The children have really enjoyed learning with Miss McNeill and teachers are always glad to get new ideas. We want to say thank you for all her hard work and we wish her well as she enters her final year at Stranmillis College.

## COVID Reminders

As life begins to return to ‘normal’ the department of education have created new posters and checklists to remind pupils, parents and teachers how to keep each other safe in school.

The key messages for pupils are to continue to -

- Wash your hands.
- Keep your distance where possible.
- Catch your coughs and sneezes.

If your child is unwell please do not send them into school. Our aim is to maintain as many children and staff in school for the final term.

Mitigations in school will continue to be in place for the foreseeable future. With classes remaining in bubbles, rooms well ventilated, encouraging good hand hygiene and using outdoor space when appropriate. As an extra measure staff in school are also taking lateral flow tests twice a week.

## Stars of the Week

Our Gorran Stars this week are.....

**Primary 1 and 2 – Ellie** for super sentence work and **Bella** for working really hard on her writing.

**Primary 3 and 4 – James W** and **ISAAC** for great work in numeracy. **Zara** for working well with others.

**Primary 5 and 6 – HARRY** for super mental maths and **Rhys M** for excellent work in maths.

**Primary 7 – Josiah** for being so polite and having such a positive attitude and **Zak** for having a positive attitude towards his learning and striving to reach his potential in all tasks.
