## Usborne Books

Do you want to get some books to read over the summer? There are some great books in the Usborne collection and the bonus is that, like the book fair, school will get some free books for our library.

See below for details.

Hello, I am Lauren from @causewaykidsbooks and I am teaming with Gorran Primary School to enhance your children's school library. Peter Usborne (founder of Usborne Books) has dedicated ½ million pounds towards getting **FREE BOOKS** into schools. To avail of this scheme, parents must purchase items through their local Usborne representative (causewaycoastbooks). Depending on how much the total spend for the school is, Usborne Books will donate free books to the school library of the schools choosing. I have forwarded two links, the Usborne virtual catalogue and the @causewaykidsbooks website. Please do not hesitate to contact me for advice, suggestions or top picks quoting "GPS" by emailing [causewaykidsbooks@gmail.com](mailto:causewaykidsbooks@gmail.com) The offer will be open until 30/06/2020. After which, orders cannot count towards the school fund.

## Word Millionaire

They say the first million is the most difficult to make. (I will never know.) After Sam's wonderful achievement he did not put his feet up and has now reached an amazing 2 million words read this year. Well done Sam! I wonder are there any books left for him to read?
