School will be closed next Thursday 17th March for St Patrick's day.

Sustrans Big Walk and Wheel

The Sustrans Big Walk and Wheel starts on Monday 21st March for two weeks. We know as a rural school it is tricky to walk, cycle or scoot. Maybe some students could walk part of the way, or choose one day in the week for an active journey?

ECO Experts

At Gorran we have an enthusiastic ECO committee who meet together regularly to plan projects and make decisions about how Gorran can be "greener". The committee have made it their responsibility to ensure that all classes know what items go in each bin at school; compost, recycling or rubbish. Thank you ECO committee for all your great ideas and hard work.

Prize winner

Congratulations to Rhys who won an Amazon voucher from Limavady High School's Open Day.

Lyric Theatre

We were delighted to have the Lyric theatre company in school last week. Their performance was excellent and reminded us of the impact of pollution and how important it is for us to look after our environment.
