## COVID -19

It is great to watch our pupils experience a more normal school life. We have some lovely treats arranged for the end of term. Unfortunately, it is still the case that if we were to have a positive case in school, the class bubble would have to isolate for up to 10 days. So for the final few weeks please continue to;

- Encourage pupils to wear masks on the bus.
- Talk about/practice good hand hygiene.
- Stay at home if you are unwell or if someone in your household has symptoms of COVID-19.

We appreciate the continued support of our school community and look forward to the day we do not have to talk about COVID-19!

## It's Your Move

We would like to thank Andrew and Hannah from the Scripture Union for running the "It's Your Move" workshop for P7 on Wednesday.

We are also grateful to the Rev Knox Jones for his participation and Aghadowey Presbyterian church for sponsoring the resources.

The children were given plenty to think about and heard lots of great advice for transitioning to secondary school.
