School Photographer

Get your hairbrushes ready as the photographer is in next Tuesday 26th November.

Photographs will be taken while still protecting our bubbles. Our photographer will be maintaining social distance and wearing a face covering while in school. If for any reason you do not wish for your child(ren) to have their photo taken please send a message to your class teacher via seesaw.

Christmas!!

A few people have been asking.....

1. Can I buy the teacher a Christmas present? Yes. Clearly there is no expectation for you to do so, but if you wish to, you can send a gift into school.
2. Can pupil exchange cards? No (Sorry to be the Christmas Grinch) We have worked hard to limit the items that are going to and from school and while the risk is small, for this year, it is probably best not to exchange cards in school. (It will also save money and trees.)
