New School Meals Menu

We are blessed to have our own kitchen in school and two wonderful cooks. A new menu will be in use from Monday and will be available on the app and website tomorrow.

There has been a recent change in suppliers and some items are proving difficult to source. So from time to time there may be some slight changes in the menu, but we can guarantee it will be delicious!

PE Days -

PE will be outside whenever possible – P3 and above can come to school in their PE clothes with their school jumpers.

Tuesday – P7

Wednesday – P3/4

Thursday – P5/6

Primary 1 take part in PE activities throughout the week, but don't need to change!

Weekly COVID Changes!!

PHA have now taken control of all contact tracing in schools. This means that you will not be contacted by school and asked to isolate and test. If this is required, you will be contacted by PHA. When the school is told about a positive case we will send out a "warn and inform" letter to let you know. We are always optimistic in Gorran and hope that that this is a positive step for our pupils.

Thank you to all those families who continue to do the best for the community by staying at home and booking a test when they are unwell. This is happening on almost a daily basis, children are only missing one day of school, at most, and it is helping to keep everyone else in school safe.

"Don't Guess, book a test!"

Swimming Year 5 and 6
