Green Fingers Day

We had a great 'Green Fingers Day'! The school grounds look amazing thanks to the hard work of our staff and pupils. Shout out to our kind grandparent who helped mend one of our raised beds. We're so grateful for all the eco-warriors who made it happen.

Cash for Clobber

A big thank you to everyone who supported our cash for clobber collection. All clothing has been collected today. If you missed remember we still have our clothing

School Football

We have had a busy week of football. We competed in the Harper's Shield on Wednesday, making it to the semi-final. The team came from 1-0 down to draw the game and take it to penalties. Unfortunately, they missed out on a place in the final in sudden death penalties, always a tough way to lose, but they should all be very proud of their performances. Yesterday we sent another team to the football festival at the Joey Dunlop Centre in Ballymoney. The team worked hard together securing some great wins; including one fantastic individual goal from James S. The girls' team finished off the week at the Lauren Wade Cup, competing against the larger schools in the Coleraine area. They were full of energy as always -two draws and one defeat in the groups saw them narrowly miss out on a place in the semi-finals. Thanks to Mrs Parkhill for coaching and Mrs Bellingham and Mrs Kelly for their organisation.

End of Year Assessments

During the month of May, P3-4 will be completing standardised tests in Reading, Maths and English. P4-7's results will be shared on their end of year report. These assessments are computer based. Along with ongoing class assessment and observation, these tests help teachers to monitor progress and highlight areas of strength and for development.
