Value 2 – Adventure

*"Like the whale we want to be adventurous.
We want to learn and discover new things.
We give all new learning a try and know
that mistakes are ok – it is how we learn
and progress!"*

We looked at the amazing journeys of
whales and imagined what they would have
seen and learnt on their adventures.

We want everyone in school to –

- Ask good questions
- Seek understanding
- Think about the 'what ifs...'
- And always be willing to have a go.

Egg Boxes

Can you please send in some, half dozen, egg
boxes for an art project in Primary 5.

each family attending. Thank you.

Shared Education

We are beginning to plan our shared education programme for
2025/26. Shared education gives both schools a great opportunity
to bring in facilitators and pay for trips and educational visits. This
year the focus throughout the school will be on developing our
gymnastics and dance skills.

Can you please fill out the permission slip for shared education
found in the Forms Area of the school App. We will keep you
informed of the shared education schedule when it is finalised.
Thank you.
