Leadership Opportunities for Pupils

We're excited to offer pupils the chance to step up and make a difference at Gorran! School Council reps from P2–P7 will help shape decisions and make our school an even happier place to learn. If your child enjoys sharing ideas and working with others, this is a great opportunity! We're also looking for Digital Leaders from P5–P7 – perfect for anyone with strong computer skills who'd like to help teachers set up tech, teach digital skills, and take care of equipment (charging, storage, etc.).

To apply for either role, pupils should write a short paragraph explaining why they'd like to be chosen and what skills they bring. Please hand in applications by Wednesday 15th October.

Let's get leading!

Pre School Visits

Pre-School Visits – We're Excited!

We're really looking forward to welcoming children from our local pre-schools to Gorran on 13th and 20th October!

There are lots of exciting activities planned both indoors and outdoors – from creative play to exploring our learning spaces. The children will also take part in a fun road safety lesson, meet some of our friendly staff, and get a chance to see what life at Gorran Primary is all about.

We can't wait to meet our future pupils and share a little taste of what makes our school so special!

PTA AGM – Thank You!

A huge thank you to everyone who came along to our PTA Annual General Meeting this week! It was great to see such strong support from parents, staff, and friends of the school.

We've set an ambitious funding target of £6,000 for this school year, with plans to support reading resources, classroom improvements, and exciting extras for the children.

First up – our Half Term Hooley!

Mark your calendars for Tuesday 22nd October – a fun filled fancy dress disco.

More details coming soon!

Thanks again for being part of our school community – together we can make a real difference!
