Spring Concert

Our Spring Concert will be held on Tuesday 24th March at 10 am. This event is aimed primarily at grandparents, giving them the opportunity to visit the school, enjoy a cup of tea and a bun, and experience a morning of music and song. Parents who were not able to attend the festival are also welcome. As places are limited, we will be asking you to book tickets. A link will be sent out shortly on the school App. This is a free event.

Small Schools Football League

We are incredibly proud of our football team, who made a fantastic run in the Small Schools League Finals after finishing in the top two of their regional league. Yesterday, the team delivered an excellent performance, finishing 2nd in their group and progressing to the semi-finals. They played brilliantly in a closely contested match but were narrowly defeated by the eventual winners, Crossroads. They bounced back with a strong performance in the 3rd place playoff, securing a well-earned victory with two outstanding goals. Our team has grown stronger with every tournament this year, and we are looking forward to the summer term competitions!
